Dear sister over

Again I will write you. Have thought
ever so many times I would write
to you. but I just can't make my
self write any more. but all the same
I think of you + your boys and I
would like to see you all once more.
I have been sick all this year lots of
the time I'm not able to go I am
taking treatment right now and feel
a little better, I guess my children
are all very well, I guess you
know more about Mimmie and all them
at Dallas than I do I haven't heard
from her & in a long time I had a letter
from Tom in Feb he had been in
the hospital but he said he was well
then.

Will dear sister I am trying to get
proof of my age that I am 65.
The Lady that I went to said if you
had the family Record, you could go
before a Notary Public and give him
my age and have him to type the
statement and you sign your
Name

over

Now Sister Per are the ages you
sent Minnie In 1921

Henry Wright

Now Sister if you dont have the Record
and you Remember our ages write them
all down and go have them sworn
to and what ever the charge is we

wont worry you much.

You and your children all well.
